Last Name: _____ First Name: _____
(Competitor, in CAPITAL LETTERS) (Competitor, in CAPITAL LETTERS)

Address: _____
Steet City State Zip Code

Considering my voluntary participation, to my own risks, at the DRAGFEST and at its side activities, and my eligibility to the prizes awarded, I declare the following:

I discharge by this present statement the DRAGFEST St-Théophile, its administrators, volunteers and affiliated groups, of any liability in relation to any injury, harm or wrong that could result of my presence as a participant and/or spectator at the DRAGFEST St-Théophile and its side activities.

I also discharge people and the organizations mentioned above from any liability in relation to any damages that could occur to vehicle(s), this present discharge being in force for the period of the competitions on the tracks and for all time during the weekend at any place on the Municipality of St-Théophile territory.

This present discharge ties me personally and also my heirs, successors, dependants and representatives.

I authorize the DRAGFEST St-Théophile to the usage or publication of pictures for any reason.

2020 Guidelines

01. The DRAGFEST St-Théophile is discharging itself from any liability in case of an accident and/or mechanical breaking.
02. The competitors are fully responsible of their truck / big rig in case of breaking (ex.: bumping, mechanical breaking, etc.), and also of their passenger(s).
03. No excessive speeding will be tolerated off-track (immediate disqualification). People will be all around you, remember it!
04. All races are double elimination. Also, a 1st false start is accepted, but a 2nd false start will end up as a loss/defeat.
05. When a competitor is called at starting line, he must show up within the following 5 minutes, otherwise he loses by default.
06. All registered competitors can have only 1 try on the track for the whole weekend. Even if there's a «red light» at the start of the try, the competitor must continue his way on the track. There is no start over.
07. Any poor sportsmanship conduct or aggressive words toward drag volunteers won't be tolerated (disqualification).
08. Absolutely no alcohol will be tolerated for drivers and their passenger(s) during the competitions of drags and races (immediate disqualification).

Be careful and respect all rulings and guidelines for the good progress of the competitions.

I recognized that I have read, understand, and accept this liability discharge and all the rules and guidelines of the event.
